Message from the Director

Carol Winchester, Executive Director

Dear Supporter,

"And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work."

-- 2 Corinthians 9:8

Why is it often amazing to me when God answers the prayers that I'm not bold enough to ask? Why am I surprised when he blesses us abundantly?

In my last newsletter I asked for you to be praying for some needs we had. I expressed our need for new computers as ours were over ten years old. Shortly after, I got an email from a donor (who wishes to remain anonymous) saying he could meet that need. A few weeks later we received three new computers, including a laptop I had been wishing for. Wow!

Earlier this summer we celebrated our 10-Year Anniversary with an Open House. We prayed and prepared, but we were still overwhelmed by the response from the community.

We had both the police and fire chiefs attend. We also had our school superintendent and assistant superintendent, along with several principals and other school staff. We had local

pastors and various members of the community. God blessed us many ways that night.

The school assistant superintendent and other staff have arranged a district wide baby shower for us!! We also may have an opportunity to go back into the school to teach some life skills.

Kerman Covenant Church is also planning a baby shower for us to be held on October 26 at the church.

Because of your generosity this year I was able to attend training for my position through CareNet. Over 1000 Pregnancy Care Center workers got together in St. Louis this year to be trained, encouraged, and to grow closer to the Lord.

He will bless and provide...

Most days I still don't feel equipped to do this job, but that's okay. That feeling is what brings me to my knees before the Lord and reminds me that this is not my ministry but His and He will bless and provide; there is no room for doubt or worry.

Hope. Help. Healing.

Staff & Stories

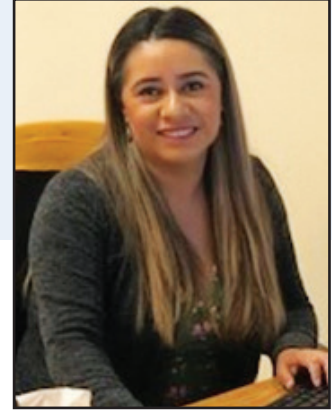

Our Mission

Kerman Care Center is a non-profit organization which exists to promote an abstinent lifestyle for the unmarried, offer life-affirming alternatives to those facing an unplanned pregnancy, and equip individuals through education and factual information

Our services promote wellness for our clients, their families, and the community.

All of our services are free. We depend on the support of individuals and organizations.

Yesenia Rodriguez

Yesenia Rodriguez has worked as a Receptionist at Kerman Care Center for over seven years. She does much more for the Center than her title implies. She is usually the first face you will see when you come into the Center.

Yesenia is the one our clients will receive most of their lessons from; and she is in charge of all of our teaching material. KCC decided she needed a job title more in line with her position. So, here is Yesenia -- our new Client Services Coordinator!

LIFE-AFFIRMING

Affirming means encouraging, upholding, and supporting. These words are directly connected to Kerman Care Center.

We are here to help our clients see that they have a future, purpose, and support.

New Mom and her Little One

Our New Mom Maria and her little one, Samuel.

Maria was unable to complete her Earn While You Learn Classes before Samuel was born, so she is coming in with Samuel to complete them -- Congratulations Maria!
