

Make a Difference!

Pregnancy Resource Centers stand in the gap between a young woman's crisis pregnancy and the choice of abortion. They provide pregnancy tests, loving guidance, unconditional acceptance, pregnancy and parenting classes, and material support -- all at no cost to the client. They share the love of Christ using both words and actions as they build relationships with the most humble of their community. They do all of this and more because they see a need and they want to make a difference both now and eternally.

YOU Can Partner

In your community there is a Pregnancy Resource Center that needs your help. The services they provide are offered at not cost to the clients, but

it does take funds to run the center. God has been faithful in providing through His people in years past, but we are asking if you would join with others in being a partner with this ministry. It is SIMPLE! Just pick up a bottle, fill it with coins, cash, or checks and return it on the collection day. That is it!

An Important Bottle

This fund-raiser is vitally important to the center. Every bottle adds up with the bottles of other Christians around the area. The resulting donations area used in providing classes, diapers, pregnancy tests, and more. Your one bottle is important to the future of a young woman and her child. Please, pick up a bottle today!
