CARE CENTER
Hope. Help. Healing.

We uphold, support, and empower women of all ages; including new mothers, their families, and the community.

-KCC

“Every human life is precious. Unborn life is precious. Children with special needs are precious. Aging parents are precious—even when they don’t remember because they’re suffering dementia, they’re still made in the image of God. Children or parents who are non-verbal, those in a wheelchair, and those who are completely dependent upon you or doctors, are precious.

All of life matters to God. If we have our eyes open, we can see this in even the most surprising places in the Bible, like in the lex talionis of the Mosaic law. You see it in Imago Dei. You see it in the incarnation where God entered the world as a helpless babe.”

The Earn While You Learn (EWYL) Parenting Program

Since parenting doesn’t come with instructions, we offer a EWYL Parenting Program. KCC is able to offer these valuable lessons at no cost because of your generosity.

- Stages of pregnancy | Fetal development
- Preparing for labor and delivery
- Getting your baby to sleep | Crying | 1st year milestones
- Newborn care | SIDs | Postpartum depression
- Car seat safety | Discipline (all ages)
- The toddler years | Being a father
- Much more!

Congratulations on your classes!

Hearing your baby's heartbeat can be such an emotional moment. One mom recently visited KCC to attend her parenting classes. After her class Sandra offered her the opportunity to hear her baby's heartbeat. While we stood in the room expectantly, the tiny heartbeat got stronger and louder! Mom was overcome with emotion and wiped tears of joy as she lay there taking in the miracle of her baby's life.

Being able to share in these special moments are a treasure to us. Each day we spend time in prayer for each client who walks through our doors. An amazing fact is that from conception to birth a baby's heart will beat 54 million times! We cover each of these babies in prayer and give thanks to God for their lives.

WORD *of* MOUTH

This year Kerman Care Center is on track to meet the needs and minister to over 1,100 clients. We are now averaging about a new family every day! Word is spreading. We are getting clients referred to us by the Mendota Clinic and Fresno Community Hospital! Our community is growing by leaps and bounds.

Together we are doing the work that the Bible talks about in Hebrews 13:16 "Don't forget to do good and to share what you have because God is pleased with these kinds of sacrifices." Thank you for praying for the ministry, for giving of your time and treasure! Our goal for 2023 is BIG, but we believe that we serve a Big God! If you would like to partner with KCC financially or in goods there are several ways to do so.

New clients receive a special welcome bag when they sign up for the Parenting (Earn While You Learn) classes. These gifts include reading books, healthy child reference book and resources for local families. As the clients attend and participate in the classes they will earn Baby Bucks. These Baby Bucks then allow clients to 'buy' items from the Baby Boutique. This is a wonderful resource for our families! We partner with First 5 California for these helpful resource bags that are free to our moms.

TRIPLETS!

This family was surprised by the news that they were expecting. However they were not expecting triplets! Mom has been very faithful in attending her parenting classes and Dad joins when he is available. Kerman Care Center and partners like you, have been such a wonderful blessing to their family to be able to provide much needed necessities. Thank you to The Father's House for the pack n plays! These will be incredibly helpful!
